Existing Funding: IIP: \$705,000
RIP: \$200,000
Other:

Future Funding Need: \$0

Total Estimated Cost: \$905,000

Project Schedule: Completion by 10/1/2009

PROJECT INFORMATION

Purpose & Need for the Project:

Project Need: The project attempts to minimize the potential for animal/vehicle collisions in the area.

Project Purpose: This project will provide wildlife with a safer alternative crossing of SR 89. The exact location of the crossing will be determined during project studies.
